

May 2015

The following pictures have been selected out of about 140 dogs and about 60 cats, all animals have been taken into our shelter between the 1st and the 31th May. Here you can see that there is still plenty to do for us.

If you're in Samui and you see any dogs or cats in need of medical treatment, please get in touch with us, the quicker we can treat the animal the better the chance for the animal to make a full recovery.

Compared to the past month, thankfully in May 2015 we didn't have quite as many heavy injured animals with huge wounds.
