

MAY 2014

The following pictures have been selected out of about 170 dogs and about 50 cats, all animals have been taken into our shelter between the 1st and the 31st May. Here you can see that there is still plenty to do for us.

If you're in Samui and you see any dogs or cats in need of medical treatment, please get in touch with us, the quicker we can treat the animal the better the chance for the animal to make a full recovery. We were lucky that we had not so many "bad cases" this month. Hopefully this will hold on.
