Dear Animal Lovers on Koh Samui,

February 2011

Unfortunately, we at the DRCS are witness to a lot of the extreme levels of cruelty and brutality a human being is capable of. In the span of a lifetime you can generally count the number of times you have been humbled by the acts of kindness of others. Thankfully, we are in the very fortunate position to receive support from people without having to ask for it. This month we would like to pay tribute to a few of these people who, without limitation, dedicated time, money and effort to do something wonderful for our 4-legged friends; To KUNO from Switzerland, who spent his entire time here transforming our Puppy-House into a bright happy wonderland, complete with a new built playground. To TOM from Switzerland, long time volunteer who spent the last 4months dedicating himself entirely to DRCS. Caring for the needs of those at the shelter, the temples and all around the island. His compassion and enthusiasm never faded even in the face of the most tragic circumstances.

To Loubie & Linda, long time residents of Samui, who have become our first official foster parents! They converted part of their home to provide a safe environment for puppies and possibly mother-dogs until they are fully vaccinated. Being more immune against possible virus & bacteria, which they may have to face at the shelter, can be lifesaving for many of them. Tom supported their project with his building and welding skills giving a huge helping hand to ensure a successful end-result. Well done you guys!

Thank you also to Katarina from Denmark, Karolina our supporting vet from Sweden, and all the others who gave an hour, a day or however long of their time to be there for the ones struggling to get through their often difficult and painful time at the DRCS-shelter.

We received a great response to our last months demand for sheets and towels; Special THANKS to

Lisa & Lars, Alex & Ti, Adele, the The Tong sai Bay, to Bandara Resort for their great contribution, Wendy and Brigitte from the Sister of Samui and to everyone else who went out of their way to help us in our time of need!
