Dear Animal friends

June 2017

Brigitte is still in Germany and will probably not be back for another 3 weeks. So far however we have all under control and things are running as smoothly and crazy as always.

Usually during the 'summer-time' we have a lot of vet students visiting and this isn't any different this year.

Thank you very much for all your help. We hope we can count on your continued support so that we can make even more progress in the future. We believe our efforts to make Koh Samui more animal-friendly have made it a happier and safer place for tourists, for which the tourists are grateful. Our four-legged friends are most grateful for your contribution!

Best wishes
 the DRCS - Team
