Dear Animal Lovers on Koh Samui,

March 2009

A few months ago we applied for an own water supply for our shelter in Baan Taling Ngam. Finally it was approved by the government and the building has started. Due to financial reasons we do most of the work ourselves. Compared to the water we had to buy every day to get our water tanks filled, we will now be saving up to 8000 Baht every month. The investment for this project will fully repay itself within six months.

Hurrah we have government water now!

Our helpers and volunteers handing out the daily medicine for the prevention program.

As you might know, ticks are often a big problem on the island and once a year we try to get rid of them all. Two weeks ago we started our 3 weeks preventive antibiotic and vitamin treatment for 300 of our dogs. Once we have treated all the dogs, we will wash down all our walls with a special Baiticol tick wash.

Don't forget our 10th anniversary party! Come and celebrate with us on the 1st April at our shelter in Baan Taling Ngam, 1pm-6pm!

On the 3rd April, the Expats Club is organising a 'BENEFIT RAFFLE & ART AUCTION' TO HONOR 10-YEAR DOG RESCUE CENTER ANNIVERSARY at the Expats Party at Nikki Beach. Everybody's welcome! To Reserve place(s) contact Linda Cartlidge: sec@samuexpatsclub.com; mobile 081-894-5323

Thank you very much for all your help. We hope we can count on your continued support so that we can make even more progress in the future. We believe our efforts to make Koh Samui more animal-friendly have made it a happier and safer place for tourists, for which the tourists are grateful. Our four-legged friends are most grateful for your contribution!

Best wishes
Brigitte
