Dear Animal Lovers on Koh Samui,

March 2010

Invitation 1st of april 2010

Don't forget our 11th anniversary party! Come and celebrate with us on the 1st April at our shelter in Baan Taling Ngam, 2pm - 6pm! Everybody is welcome to have a snack and a drink with us and check out our shelter with our Puppy and Cat House, and over 10 outside compounds. Come and find out for yourself, what we've been doing in the last 11 years....

We made about 12 000 castrations of cats and dogs (6 every day). We also did about 40 000 rabies injections, because of this the government declared Koh Samui rabies free in 2002! 2 years ago we started the temple programme. This means where treating and feeding cats and dogs at nearly all of the temples.

Meanwhile the monks inform us when the cats and dogs need help, and some even give the medicine to the cats and dogs themselves!

Thousands of dogs and cats got mange and wound treatments. There is FREE treatment available for all cats and dogs on the island!! We already had a lot of people make use of this to help their cats and dogs. Many of the poor thai people would not have the money or the means to help their own animals if they would go to a normal vet. So they always can come to us!!

We helped hundreds of people with the transport of cats and dogs to their home country because they fall in love with these cute animals.

A big Thank you to the Imperial Boathouse in Choeng Mon for the leftovers we are allowed to pick up every day since a few days. If there are other hotels in the area of Chaweng and Choeng Mon who also have some leftovers, please contact us. Our dogs and cats are real Thai dogs and love to eat rice....

As you know, we always need something to keep the little ones dry and warm, so if you have some spare towels and sheets, you can always donate them, thank you for your support!

Thank you very much for all your help. We hope we can count on your continued support so that we can make even more progress in the future. We believe our efforts to make Koh Samui more animal-friendly have made it a happier and safer place for tourists, for which the tourists are grateful. Our four-legged friends are most grateful for your contribution!

Best wishes
Brigitte
