Dear Animal Lovers on Koh Samui,

May 2010

In the absence of Brigitte and Werner, a great team of volunteers from different parts of the world are working alongside our manager, vet, helpers and long term volunteers to keep things running smoothly at the Dog and Cat Rescue Center.

Hard to believe it's June already, almost half the year has passed us by and so far, financially, it's been a difficult time. With the terrible exchange rate and the ever increasing political turbulence, it was inevitable that this would result in a huge drop in tourism.

Of course not only Dog Rescue has suffered, very few businesses across the island have not felt the effect. With this in mind, we would like to dedicate this newsletter as a way of THANKS, to the people and businesses of Samui for their continued support during this difficult time. The level of support we have received from you over the past 2 years has often been overwhelming. Be it through financial donations or left over food donations, even old towels and sheets, your generosity has helped ensure that we can operate the centre, providing free medical treatment for all the dogs and cats that need it. A huge heartfelt Thank You to you all!

A very special THANK YOU to Angela and her husband Steve, from Angela's Bakery in Maenam for their very generous donation and their ongoing support!

Everyone who would like to support us by making a donation or donate food leftovers (remember, what you consider garbage is a gastronomical delight to our 4 legged and sometimes 3 legged friends), please send us an email or give us a call, thank you!

Operation list April 2010

Dog (Female)	Dog (Male)	Cat (Female)	Cat (Male)	Other	Total

Let's continue to go strong together, to make a difference and help the ones that can't fight for themselves.

Best wishes

The DRCS-Team
