Dear friends of our animals

June 2011

Sometimes things don't turn out quite the way as planned. Originally my husband Werner and I had intended to fly to Germany on May 10, and we had arranged everything with Joerg and Martina, who had already flown in from Germany to help out here in the house in Chaweng.

But Werner suffered from a retinal detachment and was forced to undergo surgery in Phuket. They told him that he was not allowed to board a plane for another two months. Consequently we had to postpone our stay in Germany until the end of June.

We are very lucky that Stephanie from Sweden will take care of the dogs and cats in and around our house and will greet visitors, inform them about our work and keeps an eye on our helper. We were happy to hear that Stephanie will stay with the DRCS until September 2011.

Thank you very much for all your help. We hope we can count on your continued support so that we can make even more progress in the future. We believe our efforts to make Koh Samui more animal-friendly have made it a happier and safer place for tourists, for which the tourists are grateful. Our four-legged friends are most grateful for your contribution!

Best wishes
