Dear Animal friends

May 2016

With Brigitte and Werner in Germany, the rest of the team has to work even harder in order to keep things running smoothly. Not only the shelter work has to be covered and organized each day, also the running of the office work in Chaweng as well as the care taking of all the cats and dogs (many of them handicapped or in need of special treatment) has to get done. Thankfully we have the help of some great long term volunteers who keep things together. Usually Brigitte and Jay are alone with all the office work, so especially in this month, we are very happy to have Vanessa here to help a couple of days/week in the office and also at the shelter she's a great support. Vanessa and Jay are giving their best to stay on top of all the office work. Another 2days/week are being covered by Daniela at the office. She has been involved with the Dog Rescue for many years now and beside her amazing street work, she has enough experience to handle the daily challenges of a Dog Rescue.

Our manager Wit – **THANK YOU WIT** for still going so strong and keeping everything together!!!! and our long term volunteer Daniela. Thank you for being here!

Vaness and Jay

Thank You Marcus from Germany for always being here when support is needed! Either at Chaweng or the big shelter, he is there when it burns!

Linda with the many Temple-Dogs

A big ThankYou also to our main outside and Temple-Team Linda, Jay & Tom for their tireless work each day. For many years they have been treating stray animals at the temples as well as many other forgotten places around the island.
