Dear Animal Lovers on Koh Samui,

September 2010

GOOD NEWS: As mentioned in our June newsletter, the famous beach dogs Max and Maxine were removed from their home at the Imperial Boathouse, when Mr. Rubio, the manager at the time, made the gardener bring them to the temple in Maenam. We now found them in surrounding resorts in pretty bad shape. We hope that the new manager Khun Daphne of the Boathouse in Choeng Mon will tolerate the dogs on the beach and not harm them in any way. Also, perhaps we'll be allowed to put up our donation box again, which had to be removed after we published the disappearance of the two. They are overwhelmed to be back home and even the people from the area were very happy to see the two again!

BAD NEWS: These two lovely dogs ,Samui' & ,Thai' from the First Bungalow Beach Resort in Chaweng, are now at the Dog and Cat Rescue Center waiting for their departure to Germany. After being hit almost every night by the gardeners of the First Bungalow, the two German tourists Yvonne Amel and Andreas Zigann (room number 753) decided to save the dogs from more cruelty and made the decision to take them to Germany with them. The Dog Rescue Center is pretty certain that the management of the First Bungalow is not aware of the brutal behaviour of the gardeners since they have been working very well with us and always reported sick or injured animals from the area.

The DRCS has done a lot of awareness work for tourists, asking them NOT to take any dogs into their bungalows or anywhere else on the hotel area. PLEASE FEED THE DOGS ONLY OUTSIDE THE HOTEL PROPERTY!

Operation list August 2010

Dog (Female)	Dog (Male)	Cat (Female)	Cat (Male)	Other	Total
116	9	13	7	5	150

Thank you very much for all your help. We hope we can count on your continued support so that we can make even more progress in the future. We believe our efforts to make Koh Samui more animal-friendly have made it a happier and safer place for tourists, for which the tourists are grateful. Our four-legged friends are most grateful for your contribution!

Best wishes

P.S. A huge ThankYou to the Tamarind Springs SPA for their generous donation of towels and cushions

Dear Animal Lovers on Koh Samui,

September 2010

GOOD NEWS: As mentioned in our June newsletter, the famous beach dogs Max and Maxine were removed from their home at the Imperial Boathouse, when Mr. Rubio, the manager at the time, made the gardener bring them to the temple in Maenam. We now found them in surrounding resorts in pretty bad shape. We hope that the new manager Khun Daphne of the Boathouse in Choeng Mon will tolerate the dogs on the beach and not harm them in any way. Also, perhaps we'll be allowed to put up our donation box again, which had to be removed after we published the disappearance of the two. They are overwhelmed to be back home and even the people from the area were very happy to see the two again!

BAD NEWS: These two lovely dogs ,Samui' & ,Thai' from the First Bungalow Beach Resort in Chaweng, are now at the Dog and Cat Rescue Center waiting for their departure to Germany. After being hit almost every night by the gardeners of the First Bungalow, the two German tourists Yvonne Amel and Andreas Zigann (room number 753) decided to save the dogs from more cruelty and made the decision to take them to Germany with them. The Dog Rescue Center is pretty certain that the management of the First Bungalow is not aware of the brutal behaviour of the gardeners since they have been working very well with us and always reported sick or injured animals from the area.

The DRCS has done a lot of awareness work for tourists, asking them NOT to take any dogs into their bungalows or anywhere else on the hotel area. PLEASE FEED THE DOGS ONLY OUTSIDE THE HOTEL PROPERTY!

Operation list August 2010

Dog (Female)	Dog (Male)	Cat (Female)	Cat (Male)	Other	Total
116	9	13	7	5	150

Thank you very much for all your help. We hope we can count on your continued support so that we can make even more progress in the future. We believe our efforts to make Koh Samui more animal-friendly have made it a happier and safer place for tourists, for which the tourists are grateful. Our four-legged friends are most grateful for your contribution!

Best wishes

P.S. A huge ThankYou to the Tamarind Springs SPA for their generous donation of towels and cushions

Dear Animal Lovers on Koh Samui,

September 2010

GOOD NEWS: As mentioned in our June newsletter, the famous beach dogs Max and Maxine were removed from their home at the Imperial Boathouse, when Mr. Rubio, the manager at the time, made the gardener bring them to the temple in Maenam. We now found them in surrounding resorts in pretty bad shape. We hope that the new manager Khun Daphne of the Boathouse in Choeng Mon will tolerate the dogs on the beach and not harm them in any way. Also, perhaps we'll be allowed to put up our donation box again, which had to be removed after we published the disappearance of the two. They are overwhelmed to be back home and even the people from the area were very happy to see the two again!

BAD NEWS: These two lovely dogs ,Samui' & ,Thai' from the First Bungalow Beach Resort in Chaweng, are now at the Dog and Cat Rescue Center waiting for their departure to Germany. After being hit almost every night by the gardeners of the First Bungalow, the two German tourists Yvonne Amel and Andreas Zigann (room number 753) decided to save the dogs from more cruelty and made the decision to take them to Germany with them. The Dog Rescue Center is pretty certain that the management of the First Bungalow is not aware of the brutal behaviour of the gardeners since they have been working very well with us and always reported sick or injured animals from the area.

The DRCS has done a lot of awareness work for tourists, asking them NOT to take any dogs into their bungalows or anywhere else on the hotel area. PLEASE FEED THE DOGS ONLY OUTSIDE THE HOTEL PROPERTY!

Operation list August 2010

Dog (Female)	Dog (Male)	Cat (Female)	Cat (Male)	Other	Total
116	9	13	7	5	150

Thank you very much for all your help. We hope we can count on your continued support so that we can make even more progress in the future. We believe our efforts to make Koh Samui more animal-friendly have made it a happier and safer place for tourists, for which the tourists are grateful. Our four-legged friends are most grateful for your contribution!

Best wishes

P.S. A huge ThankYou to the Tamarind Springs SPA for their generous donation of towels and cushions

Dear Animal Lovers on Koh Samui,

September 2010

GOOD NEWS: As mentioned in our June newsletter, the famous beach dogs Max and Maxine were removed from their home at the Imperial Boathouse, when Mr. Rubio, the manager at the time, made the gardener bring them to the temple in Maenam. We now found them in surrounding resorts in pretty bad shape. We hope that the new manager Khun Daphne of the Boathouse in Choeng Mon will tolerate the dogs on the beach and not harm them in any way. Also, perhaps we'll be allowed to put up our donation box again, which had to be removed after we published the disappearance of the two. They are overwhelmed to be back home and even the people from the area were very happy to see the two again!

BAD NEWS: These two lovely dogs ,Samui' & ,Thai' from the First Bungalow Beach Resort in Chaweng, are now at the Dog and Cat Rescue Center waiting for their departure to Germany. After being hit almost every night by the gardeners of the First Bungalow, the two German tourists Yvonne Amel and Andreas Zigann (room number 753) decided to save the dogs from more cruelty and made the decision to take them to Germany with them. The Dog Rescue Center is pretty certain that the management of the First Bungalow is not aware of the brutal behaviour of the gardeners since they have been working very well with us and always reported sick or injured animals from the area.

The DRCS has done a lot of awareness work for tourists, asking them NOT to take any dogs into their bungalows or anywhere else on the hotel area. PLEASE FEED THE DOGS ONLY OUTSIDE THE HOTEL PROPERTY!

Operation list August 2010

Dog (Female)	Dog (Male)	Cat (Female)	Cat (Male)	Other	Total
116	9	13	7	5	150

Thank you very much for all your help. We hope we can count on your continued support so that we can make even more progress in the future. We believe our efforts to make Koh Samui more animal-friendly have made it a happier and safer place for tourists, for which the tourists are grateful. Our four-legged friends are most grateful for your contribution!

Best wishes

P.S. A huge ThankYou to the Tamarind Springs SPA for their generous donation of towels and cushions
