GIVE ONE OF OUR RESCUE DOGS OR CATS A SECOND CHANCE IN LIFE!

Every day we have so many dogs and cats coming through our doors (sometimes simply thrown over the gates or left in a plastic bag outside our doors).

Whenever dogs get dumped without us ever meeting the owner or having an idea where the animal comes from, we have no choice but keeping the dog. It really is often very terrifying to see, how shameless and completely heartless people can be when it comes to abandon animals. Whenever we think that nothing can shock us anymore, we get proven otherwise.

Normally we try to have animals vaccinated before they come into our shelter, especially when it comes to puppies it is very important to protect them from all the viruses we have at our rescue centre. Our outside team is giving their best to keep any puppy we have to take in, as save as possible until fully vaccinated. At our shelter we have an uncountable number of dogs and cats looking

for a loving home, a second chance, their very own family! All our dogs and cats are fully vaccinated and neutered -we have dogs in all ages, sizes and colours. If you are in the position to give one of our animals a new home, please give us a call or just come by our big shelter in Baan Taling Ngam. Especially our youngsters (age between 5months and 2 years) would absolutely love to see more from the world then only the shelter walls...PLEASE HELP IF YOU CAN AND GIVE ONE OF OUR DOGGIES A NEW HOME!

A big **THANK YOU** to the Four Season Resort for the many towels and blankets!! We are always in need of old blankets and towels and really appreciate anything we can get!

Thank you very much for all your help. We hope we can count on your continued support so that we can make even more progress in the future. We believe our efforts to make Koh Samui more animal-friendly have made it a happier and safer place for tourists, for which the tourists are grateful. Our four-legged friends are most grateful for your contribution!

Best wishes
Brigitte and The DRCSF-Team
