Dear Animal Lovers on Koh Samui,

October 2014

The official monsoon has started but thankfully so far it's been calm and a little rain here and there is good for everyone. Also the many stray dogs living away from hotels or people who feed them, the rainy season is a much easier time to get by than the dry season when they hardly find a drop of water. Our Temple-Team is treating, feeding and caring for over 100 dogs around the island beside the almost 20 Temples they work at. Many Food-Stations have been put up by our outside-Team for abandoned dogs away from humans and easy-access-food leftovers. The dogs are being fed & vaccinated until ready to be neutered.

A huge THANK YOU to the **IN ORGANIZER** Shop at the Central Festival Shopping Mall in Chaweng for putting up this lovely Charity-Poster in their window for us. They donate 50Baht to our Rescue Centre for every 500Baht they take in. What a great idea, see the poster on the right.

Thank you very much to the staff of the **Sala Samui Resort and Spa** who came to help at the shelter and have also collected 1270 Baht in donation for us.

**THANK YOU VERY MUCH!**

Thank you very much for all your help. We hope we can count on your continued support so that we can make even more progress in the future. We believe our efforts to make Koh Samui more animal-friendly have made it a happier and safer place for tourists, for which the tourists are grateful. Our four-legged friends are most grateful for your contribution!

Best wishes
