Koh Samui, August 2024

Dear friends and supporters of Dog and Cat Rescue Foundation Samui!

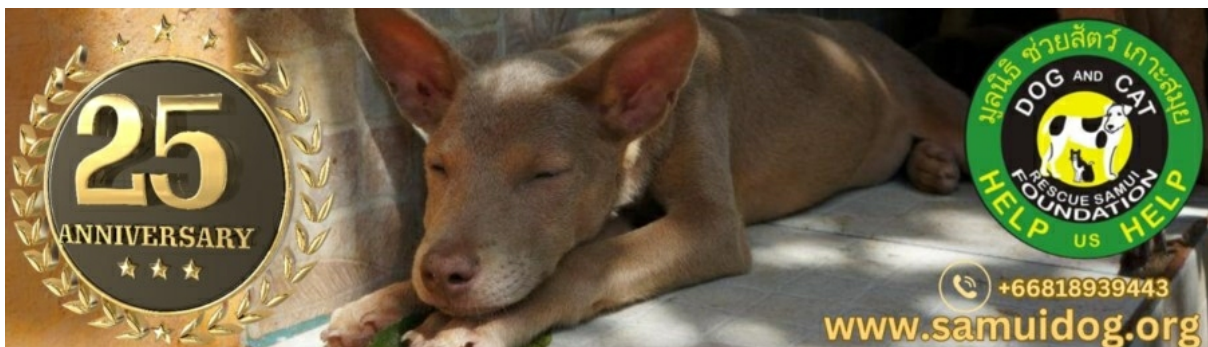

First of all, thanks again for the great support for our foundation and thus for the **poor animals on Koh Samui's streets!**

Without you, the foundation cannot exist and we would not be able to provide the many hundreds of dogs & **cats with food and medicine every day,** n

ot to mention the many sterilizations & operations that we carry out every day!

In the last more than 25 years, we have sterilized more than 35,000 dogs and cats and saved countless lives!

By the way, we do **not receive any support from the government or any other institution!**

We have so many events every day around the Foundation with our two locations in Chaweng and Ban Taling Ngam that the newsletters are far from enough to keep you fully informed.

Despite the incredibly high workload, I will try to send a newsletter every month to share more information and updates with you.

So please follow us on **Instagram, Facebook** and, most recently, TikTok.

We will also be improving our **YouTube channel** shortly and will try to post new videos there almost every day!

Many thanks to the many visitors, friends, supporters and helpers who have found their way to us again! Here, among others, are our **super committed veterinary students from Paris** Cecile and Suzie, as well as Emma from Marseille, one of our long-term volunteers!

Assisting Dr. Sith in the OR! He is definitely the best teacher and professor you could have!

Animal-loving visitors from all over the world found their way to us to help and support us!

Jess from the UK not only spent her entire vacation with us, she also collected donations for us in England and bought great things for the cats and dogs!

Speaking of adoptions: many, many dogs and cats have been adopted on the island, but have also been flown back to Germany and elsewhere in the world or are waiting for their flight!!!

Here are great photos of **Nala** in Austria, **Smoothie** in Paris and **Phumi** in Munich!
Thanks to all adopters, flight sponsors, **Christine in Bangkok** and everyone else who helps ensure that the darlings can travel to their new home

Here is our super sweet boy **Ruffy**, now with Chris in Germany!!

Michael and Charlie on the way from Bangkok to Munich with 2 dogs and a cat!

Many, many volunteers have found their way to us in the last few weeks and months to support us!

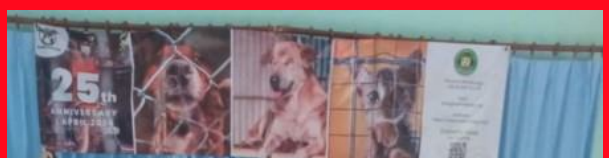

They all work on a voluntary basis to help the poor animals on Koh Samui.

Our **volunteer program** has become an important pillar for our animal shelter and improves the individual care and support of our darlings every day! My thanks go, of course, to everyone who helps for even just an hour or a day with **feeding, walks the dogs, looks after and pets the cats in the cat house** and of course also to our long-term volunteers.

Likewise the many visitors from the local population, who are supporting us more and more with food and material donations

Here also Olivia, Jean-Marie and Amandine from Paris

More and more hotels on the island appreciate our work, so support us:

- Kimpton Kitalay Samui
- Kamalaya Retreat
- Kings Garden Chaweng
- Banana Fan Sea
- U Hotel Samui

and many more are now setting up donation boxes in their reception areas:

- Lub D Samui
- Code Resort
- To be Sweet and toast Cafe
- Dr. Frogs Bar and Grill
- The stoned table
- Cafe Uno Chaweng
- Samaya Wellness Resort
- Divas Cabaret Chaweng
- Rising High Cannabis

If you would like to support us in this way, please contact us!

Great campaign by [Lub D Hotel Koh Samui](#)! Donations and food for our darlings as well as setting up a donation box in their reception. Here are a few photos from the great afternoon at our animal shelter!

Another great campaign in favor of our **Beach Bar: Bay Day Project Koh Samui**
They collected 4000 Baht for us at a charity event!

Daniel and Jessi from the YouTube channel: "Life to Go" visited us and made a great video.

Thanks again to both of them!!!

"Would you like to not just lie on the beach in the sun, explore nature, go on excursions on Koh Samui, but do something completely different and DO SOMETHING GOOD at the same time? Then take a look at the new YouTube video:

<https://youtu.be/du1J3vMzAOE?si=EV6hTyLUK76DXAKH>

"Definitely a change on the island and the furry friends are looking forward to seeing you. Best wishes and enjoy the week, Daniel and Jessi PS: The pictures are from our fundraising campaign, see video, where with your help we raised and donated **€1,150**.

Thanks again for that."

Here is some more news:

Our non-profit status is checked here in Thailand every year.

This check, with all donation receipts, bank statements, expenses, etc., takes about 3 months each time.

We have achieved this goal again this year and can claim

the title of **the only official non-profit foundation with a Thai license on Koh Samui.**

As every year, we are very happy about it!

Here are a few photos from some of his operations. I wanted to spare you the worse pictures!

Every day life-saving operations and a few before and after pictures

This dog also survived the emergency surgery and in the next newsletter I will send photos after her recovery. I will publish a video of her on Facebook in the next few days.

The wound a few weeks later after intensive treatment

A very poor boy, covered in wounds!

...then here about 14 days later

It is great for our dogs and cats that many visitors from the island, but also from all over the world, find their way back to us.

Tourists, guests, long-time supporters and many friends come almost every day to give our four-legged friends a cuddle and a cuddle.

We are very happy to receive donations in kind, such as **food and collars, as well as tools, building materials, etc. and financial support** so that we can pay for medicine, wages, food, etc.!

We are also very happy to receive (old) towels.

So if you have a few kilos left on your trip to Samui, please fill your suitcase with them!!!

Visitors are welcome every day!

We are here 7 days a week and are happy about everyone who finds their way to us in Chaweng and also in Ban Taling Ngam.

In our cathouse in Ban Taling Ngam we have a **big fish party every day** for more than 100 cats.

We buy fresh fish at the market and then cook it for our furry friends!

They also get **vitamins, other proteins and medicine** if they suspect they have cat flu, which is unfortunately extremely common on Samui and almost no cat is spared from it.

We also need a **few more cat houses** so that we can separate them better if necessary.

A house costs around €50

We also want to build a **new, large cat house in Chaweng for around 20 - 30 furry friends!**

The estimated cost is around €1200

New house for the babys

We are always in need of **flight sponsors** to bring our darlings to their new owners overseas.
Please contact us, also to **bring serum for the blood test!**

Many darlings were able to fly overseas to their new homes.
We are delighted that so many dogs and cats from and in Germany, Switzerland, Austria, France, Spain,
but also the USA and UK have found a new home.

Many thanks again to **Christine and Detlef**, who are doing such a wonderful job in Bangkok
to get the dogs and cats ready to leave!

Here are some more insights into the work in our clinic

This girl had a **huge tumor on her back**, after just a few weeks we were able to bring her back to her family.
There are beautiful, happy videos about it on Facebook and Instagram.

Many other projects on the island, including **feeding and medical care of around 100 dogs at the old pier in Ban Kao!**

Many thanks to the many volunteers and visitors who don't hesitate to accompany us.

Everyone is welcome to get to know the many great dogs there

We have been helping at the **garbage dump** and waste incineration plant for many years now.

It is hard to imagine the conditions under which the dogs and people live there!

Here's the call again if you want to support us: We have **great new T-shirts and cool caps**, we're trying to bring as many as possible to Germany.

We have different designs!

Please write to us if you want to help us, then I'll give you the contact details!

Many super lovely and sweet **dogs and cats for adoption** or for monthly support

In this sense ;-)

We have been **supporting the temples** on Koh Samui for many years with food for their dogs and cats as well as with sterilizations, medical care, etc.

We would like to **thank the monks for their cooperation.**

Our president Khun Wit is of course still leading the temple project and is in contact with the monks, so that we can react quickly even in emergencies

There are many emergencies all over the island where we are called and respond immediately!

Thanks again to the many visitors who support us here on site with food, medication and financially, etc.
Without them, the survival of the Foundation would hardly be possible!

We absolutely need products like **Simparica, Nexgard Spectra and Bravecto** against the many parasites, such as ticks, fleas and mites (mange) for our projects outside, but also in the animal shelter!
One pack costs about 35 euros and we can treat an average of 9 dogs with it!

We help everywhere on the island with food and medical care!

Fortunately, we also have volunteers who drive around the island to feed and look after their pets.

We will continue to **help on the mainland in the future**, as I believe that our commitment to animal welfare does not have to end at the borders of Samui!

Here again the note that friends and supporters have **founded a new, second non-profit organization in Germany!** We currently do not charge any account management fees on this account!

Here are the new bank details. The bank has waived our account management fees for the first two years! But of course you can continue to use the account you know!

I would love to show you **hundreds more photos**, but unfortunately there isn't enough space in the newsletter, but here is a small selection nonetheless.

Please follow us on social media channels to stay up to date

This is just a small insight into our daily work for the poor souls on Samui's streets.

For current information, please follow me on **Facebook and Instagram** (dog_and_cat_rescue_samui) at:

Marcus Samuidog Sauff and Dog and Cat Rescue Samui Foundation.

There I post daily updates about the Dog Rescue Center and the island of Koh Samui. Here too, unfortunately, the costs for food, medicine, electricity and petrol are rising almost daily! Please remember that the poor dogs and kittens almost always only have us and wait all day for their food ration and a few strokes!

A 20 kg bag of food costs around 20 euros!

Please continue to help us so that we can give the poor strays a life.

We are very happy to receive **sponsorships** for the dear souls in our animal shelter who have not found a place to survive on the streets! Thank you all for your constant commitment to animal welfare!!!

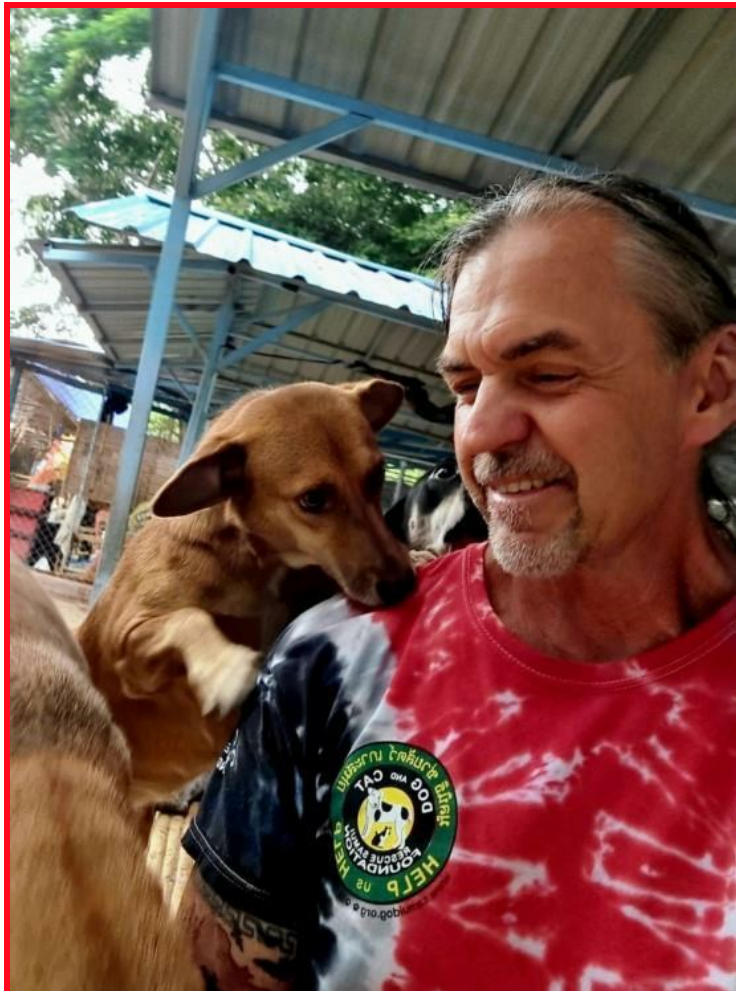

Without you we would never be able to carry out these treatments and feedings and thus **save the lives of many furry friends every day!**

Please continue to support us so that we can continue Brigitte's life's work!

Your Marcus & team & furry friends
