Koh Samui, Ostern 2025

**Dear friends and supporters of the Dog and Cat Rescue Foundation Samui!**

We wish all of you who have helped and supported us over the years a blessed and peaceful Easter 2025!

**First of all, thanks again for the tremendous support for our foundation  
and thus for the poor animals on Koh Samui's streets!**

Without you, the Foundation couldn't exist, and we couldn't provide food and medicine to the hundreds of dogs and cats we serve every day, not to mention the many sterilizations and surgeries we perform every day!

Over the past 26 years, we have sterilized more than 35,000 dogs and cats and saved countless lives! By the way, we receive no support from the government or any other institution!

**We have so many dear friends to thank who have supported us for so many years.**

**And of course, the ever-growing community of volunteers, students, helpers and many more from all over the world!**

A lot of events happening every day around the Foundation, with our two locations in Chaweng and Ban Taling Ngam, that the newsletter is far from sufficient to keep you fully informed.

**So please follow us on Instagram, Facebook, and most recently, TikTok.**

We're proud to say that we already have well over 10,000 real followers on Facebook, and the number is growing daily!

Of course, as always, an important, major pillar of our practice is our own **veterinary clinic under the long-standing direction of Dr. Sith.**

He is undisputedly a leading expert in the field of sterilizations.

We perform between **5 and 10 spay/neuter procedures daily** in our clinic, as well as many other operations such as amputations, wound treatments, etc. Students and veterinarians from all over the world come to us to learn from him and work with him!

---

Many animal-loving visitors from all over the world found their way to us again to help and support us!  
**Many of our beloved animals also found new sponsors.**

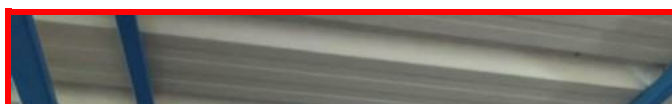

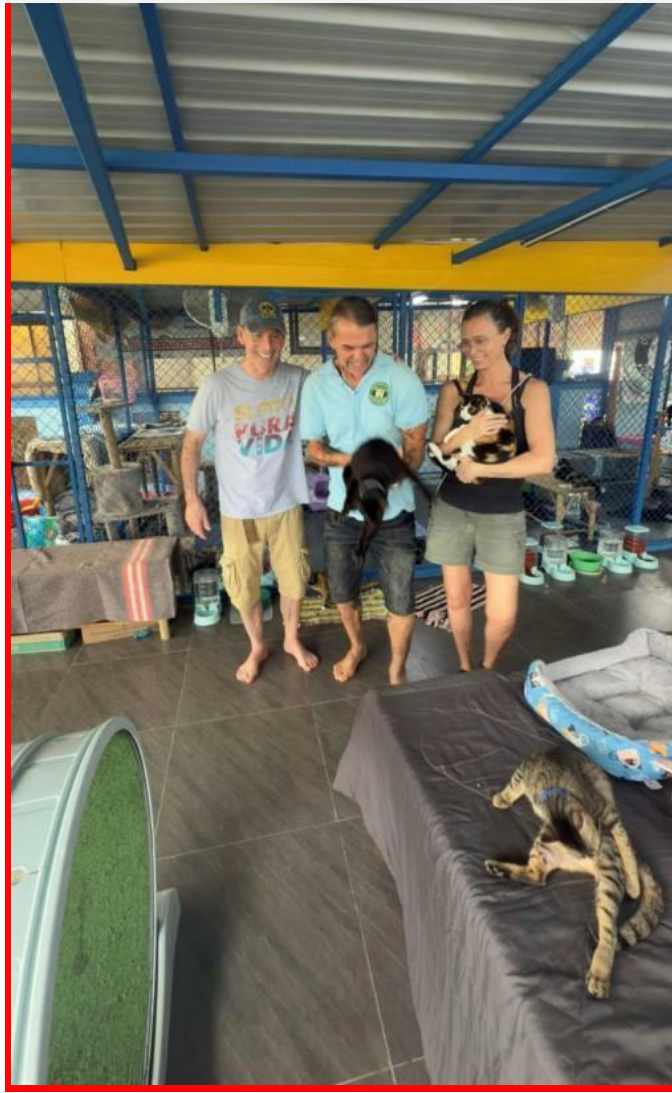

Great support and donations from countless friends, including **Karin and Fränk**, who were there again and brought plenty of food and financial support!

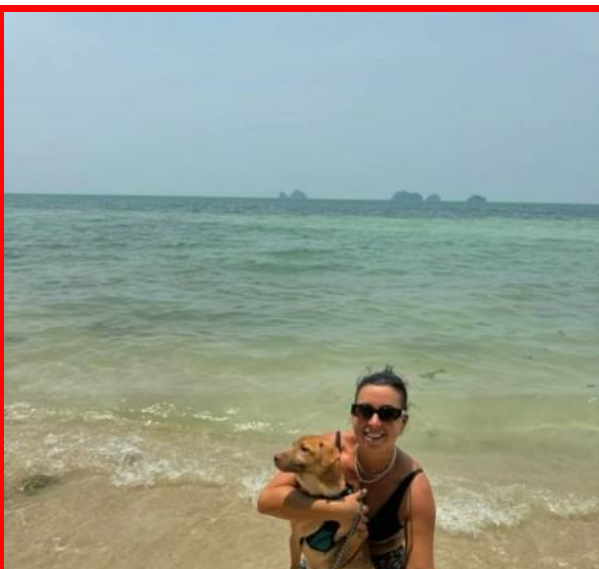

But also Dr. Bert from the Netherlands with an incredible donation of urgently needed Nexgard!

Fortunately, more and more short-term and long-term volunteers are finding their way to us. This has become a **major pillar of the Foundation** and helps enormously improve the quality of life of our furry friends!

I can also show you the first photos of the new cat house in Ban Taling Ngam today. There are still a few finishing touches to be done, and then our furry friends can move into paradise.

Many thanks again to **Frank and Marco from the Netherlands** for their financial support! Volunteers helped us here again, for example, with assembling the scratching posts :-)

It's truly incredible, we were able to acquire a second, (almost) new van. Like the first one, about three months ago (sponsored by **Frank and Marco from the Netherlands**), I also bought this Suzuki Carry in Bangkok and drove it to Samui myself. **It is now used to transport goods, volunteers, doctors, etc., between both locations.**

The incredibly beautiful foundation plaque, by the way, is an extremely generous donation from **Frank and Jeannette** from Upper Bavaria.

You can see them both at the inauguration ceremony in the newsletter above.

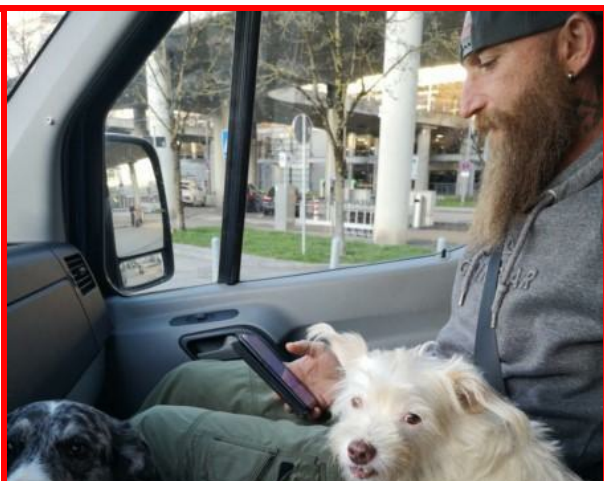

**Thank you again to everyone for allowing us to take so many steps into the future to continue and better help the poor furry friends on Koh Samui!**

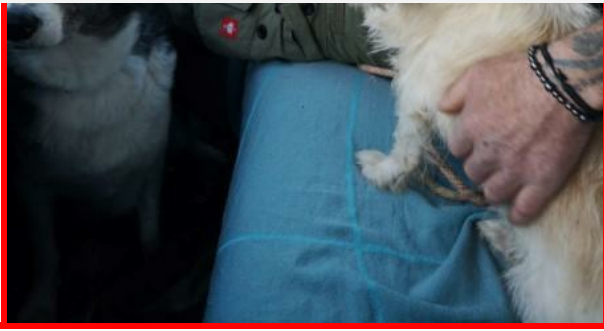

---

Almost countless adoptions: **many, many dogs and cats have been adopted on the island**, but also flown back to Germany and elsewhere in the world, or are waiting for their flight!!!

Thank you to all adopters, flight sponsors, and everyone who helps ensure that these beloved pets can travel to their new homes.

**An indispensable pillar of our foundation has become our volunteer program,  
led by Hasse from the Netherlands and Dr. David from Spain!**

This dramatically **improves the individual care and support of our furry friends** every day! My special thanks to both of them, and of course to all the short- and long-term volunteers, who often sacrifice their vacation time to care for our furry friends..

Likewise, the many visitors from the local community, who increasingly support us with food and material donations

More and more hotels on the island appreciate our work and support us:

- Kimpton Kitalay Samui
- Kamalaya Retreat

- Banana Fan Sea

Many thanks also to the students of **ISS International School of Samui!**

and many more are now setting up donation boxes in their reception areas:

  - Cafe Uno Chaweng

- Divas Cabaret Chaweng
- Rising High Canabis u.a.

Here's another reminder about our new flyers. If you'd like to have them to distribute, please contact us!

**Volunteer**  
Volunteers are always welcome! Previous experience is not required - only a love for animals is what we ask for. Please come visit our house in Chaweng or our shelter in Taling Ngam.

**Treatment Program**  
The DRCS treats sick and injured animals that would otherwise not receive veterinary care. Neutering, medical treatments and vaccinations we offer are free for every dog and cat - with or without owner.

**Hobo before & after treatment**

**Castration Program**  
All of our castrations are carried out by our own Thai vet. We make 6 operations every day. Strays but also domestic dogs and cats whose owners can't afford the cost of castration. This is the only proven way to reduce the unwanted growth in the population of street dogs.

**HOW CAN YOU HELP**  
Please help us feed the dogs & cats of Samui and inform us if you see an injured or ill animal.

**Sponsor a dog or cat:**  
We have many animals waiting for a sponsor! You can sponsor a dog or cat for as little as 25 Euro a month. You will be sent a certificate and update pictures.

**How to become a sponsor?**  
1. Go to [www.samuidog.org](http://www.samuidog.org)  
2. Navigate to "How to Help"  
3. Click "Adoption"  
Here you'll find the dogs & cats that are still looking for a sponsor.

**Donate**  
Donations make an incredible difference and allow us to feed, treat, shelter, and rehome more loving dogs & cats of Koh Samui. We have many donation boxes throughout Samui and you can also check our website for other donation methods. We have various donation accounts in many countries.

**The Dogs & Cats of Koh Samui Need Your Help!**

**OUR AIMS:**

- 🐾 deworming and injecting all dogs & cats against rabies
- 🐾 castrating/spaying all dogs & cats
- 🐾 feeding those that otherwise go hungry
- 🐾 treating injuries or sickness of those otherwise left suffering
- 🐾 educating the people of Koh Samui about responsible pet-ownership
- 🐾 sheltering and re-homing street dogs & cats
- 🐾 treat dogs suffering from mange by injecting them with Ivermectin or by washing them with Amitraz

**About us.**  
We are an official Non profit foundation set up by a small group of animal lovers back in In April 1999. At that time there was no vet on the island and countless sick and injured dogs and cats died in wretched ways as they were completely ignored and left laying by the roadside. We employed a vet and a team of helpers and started with our neutering program. Since then and with the help of our animal friends from all over the world we've come a long way! 2024 marks our 25th year anniversary and by now we have neutered more than 35.000 animals and given a forever home to over 350 dogs and cats.

**Dog and Cat Sanctuary**  
In 2003 we opened our big dog and cat shelter in Ban Taling Ngam on 7200 M2 of land. We have an operation room, a puppy house with a quarantine station, a cat house, 10 outside compounds and 50 single boxes.

**Cat House**  
We have lots of cats too. They all love to get spoiled and a visit at one of our shelters can be great fun, even with young kids. The animals in the house are very friendly and don't mind being carried around.

**Temple Project**  
For almost 2 decades, we have been providing dog & cat food, vaccinations, and medical attention for the dogs and cats at many of Samui's temples.

**Donate**  
Donations make an incredible difference and allow us to feed, treat, shelter, and rehome more loving dogs & cats of Koh Samui. We have many donation boxes throughout Samui and you can also check our website for other donation methods. We have various donation accounts in many countries.

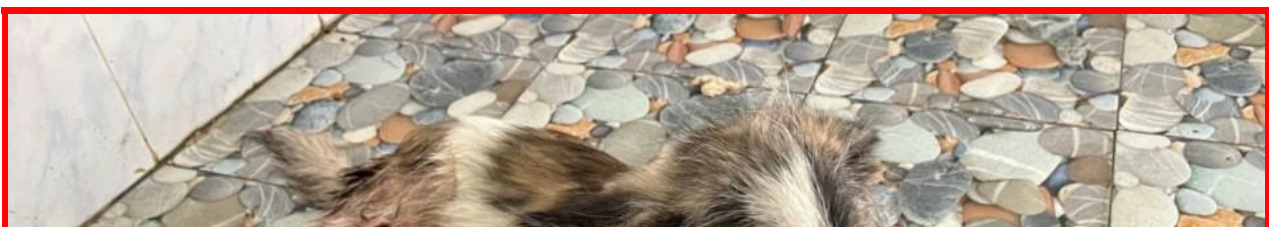

**Every evening we throw a big fish party at our small shelter in Chaweng**

**Every day, we feed approximately 400 dogs and cats in the shelter, at the temples, and on the streets of Koh Samui. Therefore we need more than 5000 kg of food per month. 10 kg of dry food costs approximately 12 Euro.**

**Donations made from these countries are tax deductible.**

Here are just a few of the **patients** who come to our clinic every day. I'd like to spare you the worse photos!

Many unbelievable cases, unfortunately, also involve animal abusers.

We were able to save this boy's life through emergency surgery.

The second photo was taken about three weeks after the surgery!

Many thanks to the **Swiss association** and their friends for their wonderful support over the years, the generous donations , and the lovely visits to both animal shelters!

---

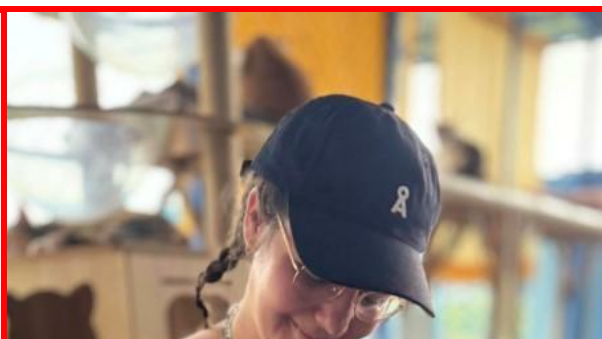

It's wonderful for our dogs and cats that many visitors from the island, but also from all over the world, are finding their way back to us. Tourists, guests, long-time supporters, and many friends are now coming almost daily to give our four-legged friends a cuddle and a treat. We are very grateful for donations in kind, such as food and collars, as well as tools, building materials, etc., and for financial support so we can pay for medicine, wages, food, etc.! We are also very happy to receive (old) towels.

So if you still have a few kilos to spare on your trip to Samui, please fill your suitcases with them!!!

**Visitors are welcome every day! We are here 7 days a week and look forward to welcoming everyone who finds their way to us in Chaweng and also in Ban Taling Ngam.**

**Thank you so much for the wonderful donations: Souvenirs, towels, toys, medication, food, leashes, collars, money, etc.**

---

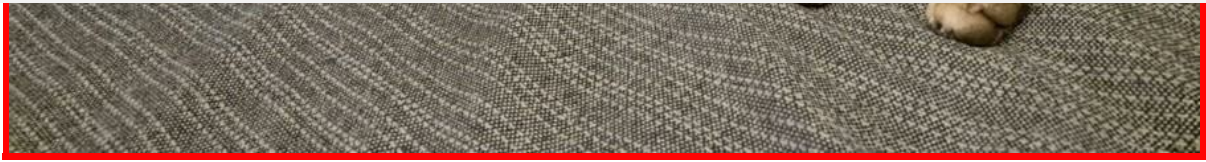

We're always in need of **flight sponsors** to bring our beloved pets overseas to their new owners.

Please contact us, and feel free to **bring serum for blood testing!**

Many beloved pets were able to fly overseas to their new homes. We are delighted that so many dogs and cats from and in **Germany, Switzerland, Austria, France, Spain, as well as the USA and UK, have found new homes.**

**DO YOU HAVE A PASSION FOR DOGS & CATS?**

**DO YOU WANNA SUPPORT AN AMAZING SHELTER IN KOH SAMUI?**

**DO YOU WANT TO ENJOY THE ISLAND LIFE?**

**We are looking for Volunteers**

**Things to do in the shelter:**

- ✓ Cleaning & feeding
- ✓ Socialising & many cuddles
- ✓ Bathing & medical Treatments
- ✓ Walk with the dogs to the Beach for a swim

**Dog and Cat Rescue Samui Foundation**

**Many other projects on the island**, including feeding and medical care for around 100 dogs at the old pier in Ban Kao! Many thanks also to the many volunteers and visitors who don't hesitate to join us.

**Everyone is welcome to meet the many wonderful dogs there.**

We've been helping at the landfill and incineration plant for many years now.  
It's hard to imagine the conditions the dogs and people live under there!

Many thanks also to Penny and Ralf from Lamai, who always help us with feeding at the old pier in Ban Kao!  
**We're also trying to help more and more on the mainland.**

---

Here's the call again if you'd like to support us: **We have great new T-shirts and cool caps**, and we're trying to bring as many as possible to Germany. **We have a variety of designs!**  
Please write to us if you'd like to help, and I'll give you Evelyn's contact details!

---

Many super lovely and sweet dogs and cats for adoption or for monthly support

---

We have been supporting **the temples on Koh Samui** for many years with food for their dogs and cats, as well as with sterilizations, medical care, etc. **We would like to sincerely thank the monks for their cooperation.**

constant contact with the monks!

---

We all time need medications like Simparica, Nexgard Spectra, and Bravecto to combat the many parasites, such as ticks, fleas, and mites (mange), for our projects outside, but also at the shelter!

**One pack costs about 35 euros**, and we can treat an average of nine dogs with it!

---

**We help all over the island with food and medical care!**

Luckily, we also have volunteers who travel around the island to feed and check on their beloved animals.

**We will continue to help on the mainland in the future**, as I believe that our commitment to animal welfare doesn't have to end at the borders of Samui!

---

Here's another reminder that friends and supporters have founded **a new, second non-profit organization in Germany!**

Thank you in advance!

I'd love to show you hundreds more photos, but unfortunately there isn't enough space in the newsletter, but here's a small selection anyway. **Please follow us on social media to stay up-to-date.**

This is just a small glimpse into our daily work for the poor souls on Samui's streets.  
Please follow me for the latest information on Facebook and Instagram (dog\_and\_cat\_rescue\_samui) at:

**Marcus Samuidog Sauff**  
and  
**Dog and Cat Rescue Samui Foundation.**

There I post daily updates about the Dog Rescue Center and the island of Koh Samui.

**Unfortunately, the costs for food, medicine, electricity, and gasoline are rising almost daily here too! Please remember, these poor dogs and kittens almost always have only us, waiting all day for their food ration and a few cuddles! A 20 kg bag of food costs about €20!**

Please continue to help us so we can give these poor strays a new life.  
We are very happy to receive sponsorships for the dear souls in our shelter who haven't found a place to survive on the streets! Thank you all for your continued commitment to animal welfare!!!

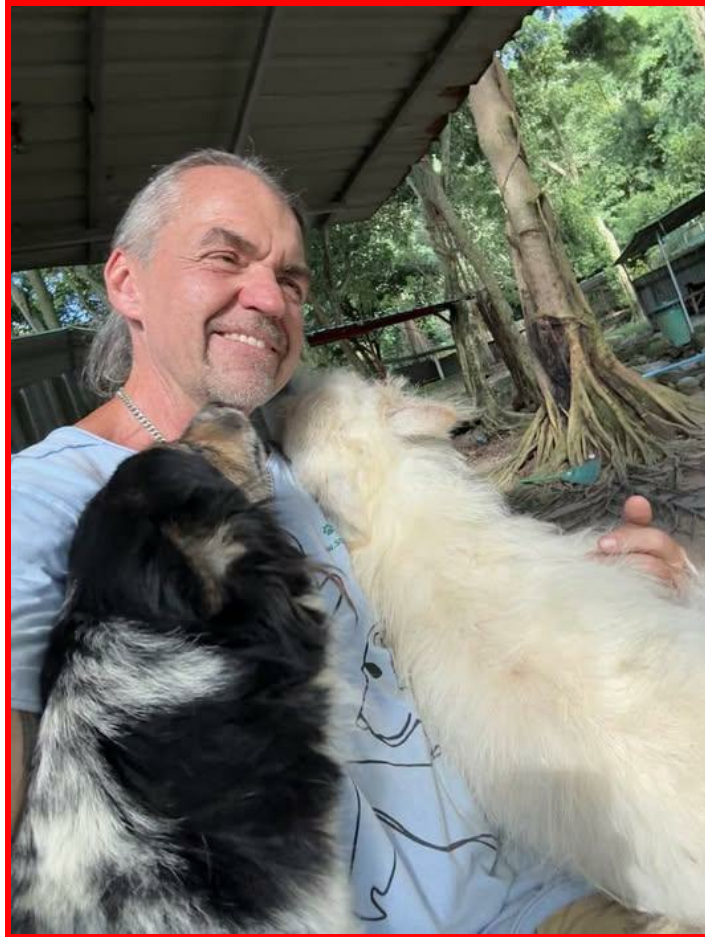

**Without you, we would never be able to carry out these treatments and feedings and thus save the lives of many furry friends every day!**

---

Please continue to support us so that we can continue Brigitte's life's work!

**Happy Easter from the bottom of my heart! Please don't forget the poor animals on Samui!**
